Overview

Our mission is to provide
 comprehensive dental care in a
 relaxed, comfortable environment
 using the latest technologies and
 best materials available. We apply
 'The Golden Rule' to everything we
 do. One of our daily goals is to stay
 on time so that we do not waste
 yours. We utilize computers to aid
 in placing implants and full mouth
 reconstruction. We are able to IV

sedate patients who may have fears
 of dentistry. We also have continued
 our education so that we can treat the
 majority of dental problems in our
 office and have surrounded ourselves
 with great specialists should the need
 arise. Some of the services we offer
 are cosmetic dentistry, orthodontics,
 dental implants, implant supported
 dentures, full mouth reconstruction,
 extraction of wisdom teeth, root
 canals, and teeth whitening. Our
 dentists and friendly, caring staff
 ensure quality, individualized care
 to all our patients. At Timothy E.
